

American CONTRACTOR[®]

American Contractor roller covers are designed for value and performance. As a low-price, production alternative, these covers are still made with the same precision and care as top Wooster professional brands. Choose American Contractor rollers for applying all flat, eggshell, and satin paints.

- First choice for value & performance in a production cover; excellent paint pickup & release
- Made in America quality, use with all paints (flat, eggshell & satin)
- Green, double-thick polypropylene core resists water, solvents & cracking
- Available in Jumbo-Koter[®] minirollers that utilize identical roller fabric for seamless results
