

# HOT DOG! WOOSTER® Mini-Koter™ PROGRAM

- Furniture
- Radiators
- Trim Work
- Small Cabinets
- Railings
- Plumbing

Wooster Mini-Koter products are as all-American as baseball and apple pie! We make them here with the same attention to quality as our standard 9-inch rollers and frames. The “foot-long” shanks are great for painting tight areas: behind radiators, pipes, or toilet tanks and other narrow spaces where a brush won’t reach. Trilingual, color-coded bags have headers for better merchandising on peghooks or in wire baskets.

**R219 High Capacity 3/8"**  
yellow fabric for all flat paints and stains

**R217 High Capacity 1/2"**  
gold fabric for all flat paints, stains and sealers

**R218 Shed-Resistant 3/8"**  
**R223 Shed-Resistant 1/2"**  
white fabric for all paints and enamels: satin, velvet, semigloss and gloss

**R220 Lint-Free Foam 1/2"**  
for all paints, enamels and varnishes

**R221 Mohair Blend™ 1/4"**  
white fabric for enamels, varnishes and polyurethanes

**MINI-KOTER ROLLERS** Our 7/16" core/bearing system gives Wooster Mini-Koter rollers a more universal fit. Best-quality fabrics offer excellent paint pickup and a very smooth finish. Packed two per bag.

| R221     | 11130-2      | Mohair Blend   | 6 1/2" | 1/4" | 12         | .185               | 1.24            |

**SHED-RESISTANT 6 PACK** Special price is like getting two FREE! Half a dozen 3/8" rollers for all paints and enamels in a resealable plastic bag.

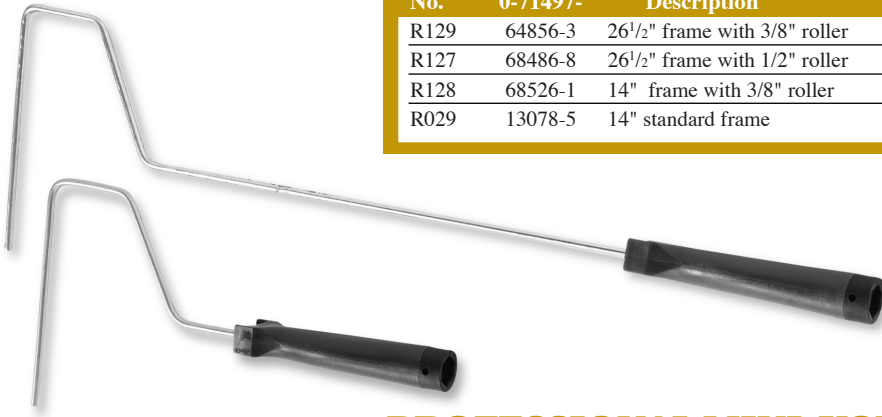

| Cat. No. | UPC 0-71497- | Description           | Size   | Nap  | Shelf Pack | Cubic Ft. Per Pack | Pounds Per Pack |
|----------|--------------|-----------------------|--------|------|------------|--------------------|-----------------|
| PR218    | 13689-3      | shed-resistant 6 pack | 6 1/2" | 3/8" | 12         | .724               | 3.24            |

**STANDARD MINI-KOTER FRAMES** Blue plastic grips, threaded for extension pole use. Sturdy wire shanks have a chamfered end to enable them to be more universally used with competitive covers. R127–R129 have high-capacity rollers for all flat paints and stains. Roller not included with the R029 frame—customize with any of the Mini-Koter packs.

| Cat. No. | UPC 0-71497- | Description                 | Size | Shelf Pack | Cubic Ft. Per Pack | Pounds Per Pack |
|----------|--------------|-----------------------------|------|------------|--------------------|-----------------|
| R129     | 64856-3      | 26½" frame with 3/8" roller | 6½"  | 12         | .595               | 7.83            |
| R127     | 68486-8      | 26½" frame with 1/2" roller | 6½"  | 12         | .595               | 7.92            |
| R128     | 68526-1      | 14" frame with 3/8" roller  | 6½"  | 12         | .473               | 4.30            |
| R029     | 13078-5      | 14" standard frame          | 6½"  | 12         | .376               | 3.78            |

**PROFESSIONAL MINI-KOTER FRAMES** Green, full-size grips add comfort. Reinforced threads for use with all extension poles, including our no-twist Sherlock GT®. Sturdy wire shanks have a chamfered end for more universal cover fit.

| Cat. No. | UPC 0-71497- | Description             | Size | Shelf Pack | Cubic Ft. Per Pack | Pounds Per Pack |
|----------|--------------|-------------------------|------|------------|--------------------|-----------------|
| R024     | 13616-9      | 14" professional frame  | 6½"  | 12         | .708               | 5.78            |
| R025     | 13079-2      | 26½" professional frame | 6½"  | 12         | .595               | 8.20            |

**FLIP PAINTER™** Spring-loaded shank adjusts four ways to reach different angles of a surface. Great for railings, decks, cabinets, and more. Change the direction of the frame any time during painting. Professional grip with reinforced threads for all extension poles. Ready to use with all flat paints and stains. Refill with any of the Mini-Koter rollers.
