

WOOSTER®

AeroDuster™

**High-Performance
Dusting from
Corner to Corner**

Brooms, sponges, feathers, rags... Wooster has a more productive and durable way to dust. The new AeroDuster features specially treated yarn that captures dust, cobwebs, pet hair, and fine particles. Shake it out to reuse again and again—no wetting or washing. The 9½-inch triangular shape is large enough to work quickly, but small enough to maneuver above doorways, under tables, and into corners. From ceilings to floors, the Wooster AeroDuster provides a dynamic way to clean.

- Specially treated material attracts and holds dust
- Unique 9½" triangular shape reaches into corners
- Great for ceilings, walls, and floors from tile to hardwood
- VELCRO® brand hook-and-loop fastener for easy changes
- Fits the 1801 Wooster AeroSander™ base

Cat. No.	UPC	Shelf Pack	Cubic Ft. Per Pack	Pounds Per Pack
