

**Fuller, Softer Tip
Easy to Clean • Added Stiffness**

WOOSTER®

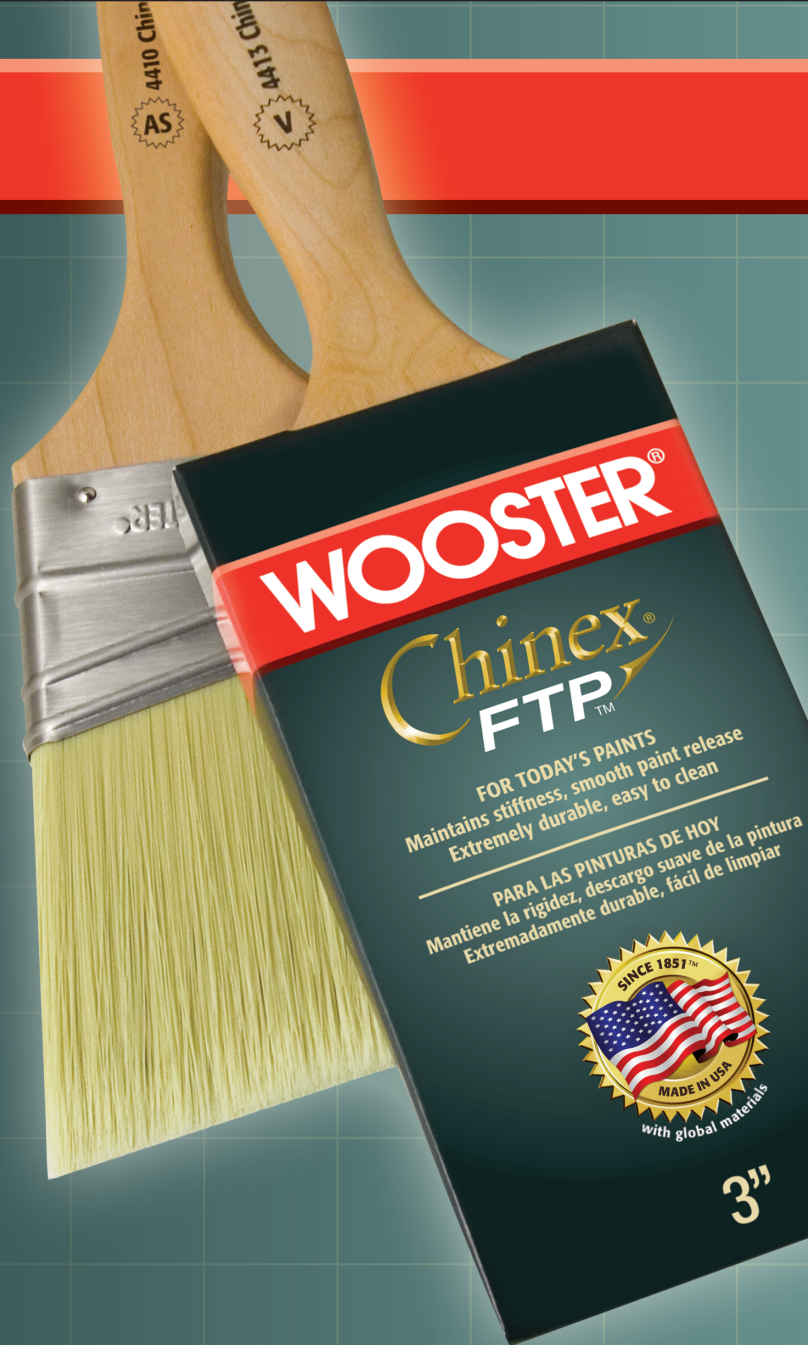

**Chinex®
FTP™**

FOR TODAY'S PAINTS

Wooster Chinex FTP brushes are the best choice for fast-drying coatings. No other brush offers better cleanability or durability than those made with 100% DuPont™ Chinex® synthetic bristles. In fact, Chinex outwears natural bristle 7 to 1. Compared to other Chinex brushes, FTP has added stiffness and a fuller, softer tip exclusively from Wooster. This increases paint release and reduces drag, so the brush pushes paint farther with cleaner edges! Whether painters are working inside or out, Chinex FTP is the brush For Today's Paints.

- Extremely durable 100% white DuPont Chinex, easy to clean
- Maintains stiffness & control, smooth paint release
- Fuller, softer tip exclusively from Wooster
- Stainless steel ferrule, sealed maple wood handle (4411 Shortcut® has short green™ Shergrip® elastomeric handle)
- Reusable trilingual package with hook & loop closure

Sizes & styles for every painter's preference

Cat. No. & Style	UPC 0-71497-	Size	Length	Thick	Case Qty.	Cubic Ft. Per Case	Pounds Per Case
